NEW NORMAL: Looking Back On A Difficult Year

What a Year!!! 2020 Has definitely been a unique year. We have successfully maneuvered a year full of difficult trials and tribulations. Congratulations! With great praise and thanks, we look back on the health of this challenging year. With continued optimism and prayers, we look forward to a health centered and joyous New Year 2021.

Wash YOUR HANDS!

Hands that look clean can still have icky germs!

- 1 Wet
- 2 Get Soap
- 3 Scrub
- 4 Rinse
- 5 Dry
